

Office Memorandum • UNITED STATES GOVERNMENT

25X1 TO : Col. [REDACTED]
Assistant to the Director
FROM : Deputy Assistant Director for Operations
SUBJECT: Paragraph 2 of Extracts from Mr. Hedden's Report on
25X1 [REDACTED]

DATE: 14 November 1968

1. In response to your request for an informal comment on alternative number three in subject paragraph, the Office of Operations would strongly recommend against any attempt to implement this alternative. [REDACTED]

and our [REDACTED] it would be incompatible with our principles of operation to house a covert facility in the same office as an overt field station.

2. It is our understanding, as a result of prior conversations in regard to this matter, that the covert offices would concur in this principle of a separation in activities.
